PUBLIC AND PRODUCTS LIABILITY EXCESS LAYER POLICY WORDING

INTRODUCTION

In return for payment of the premium shown in the **Schedule**, the **Insurer** agrees to insure the **Insured**, for amounts which the **Insured** are legally liable to pay in respect of claims in excess of the **Underlying Limit** and which arise from an event or occurrence, as insured by the **Underlying Insurance**, happening during the **Period of Insurance** in connection with the **Business**.

The indemnity provided by the **Insurer** will be upon the same terms, conditions, exceptions and endorsements as the **Underlying Insurance**, except where amended by this Policy, or by any Endorsement to this Policy.

Wherever the following words appear in bold in this policy they will have the meanings shown in the Definitions page for the relevant section. Any other word or expression given a specific meaning in any part of this Policy, the **Schedule**, or any Endorsement(s), and beginning with a capital letter, shall have the same meaning throughout the Policy.

This document, the **Schedule** and any endorsement(s) attached form the policy.

This document sets out the conditions of the policy between the **Insured** and the **Insurer**. It should be kept in a safe place.

Please read the whole document carefully. It is arranged in different sections. It is important that:

- the **Insured** checks that the sections requested are included in the **Schedule**;
- the **Insured** checks that the information given to the **Insurer** is accurate – see the “Information given to the **Insurer**” section;
- the **Insured** notify their broker as soon as practicable of any inaccuracies in the information they have given;
- the **Insured** complies with their duties under each section and under the insurance as a whole.

Alterations in the cover required, after issue of the Policy, will be confirmed by separate Endorsement(s), which the **Insured** should file with the Policy. The **Insured** should refer to these Endorsement(s) and the Policy to ascertain precise details of cover currently in force. The **Insured** should contact their Insurance Broker who will be able to provide any help or information that might be required.

In witness whereof this Policy has been signed for and on behalf of the **Insurer**.

For and on behalf of the **Insurer** set forth in the Definitions

IMPORTANT INFORMATION – INFORMATION GIVEN TO THE INSURER

In deciding to accept this policy and in setting the terms and premium, the **Insurer** has relied on the information provided. The **Insured** must take care when answering any questions asked by ensuring that all information provided is accurate and complete.

If the **Insurer** establishes that the **Insured** deliberately or recklessly provided the **Insurer** with false or misleading information, the **Insurer** will treat this policy as if it never existed and decline all claims.

If the **Insurer** establishes that the **Insured** carelessly provided the **Insurer** with false or misleading information it could adversely affect the policy and any claim. For example, the **Insurer** may:

- treat this policy as if it had never existed and refuse to pay all claims and return the premium paid. The **Insurer** will only do this if it provided insurance cover which it would not otherwise have offered;
- amend the terms of the insurance. The **Insurer** may apply these amended terms as if they were already in place if a claim has been adversely impacted by the **Insureds** carelessness;
- reduce the amount paid on a claim in the proportion the premium paid bears to the premium the **Insurer** would have charged; or
- cancel the policy in accordance with the Cancellation details within the Policyholder Notices section.

The **Insurer** or insurance broker will write to the **Insured** if the **Insurer**:

- intend to treat the policy as if it never existed; or
- need to amend the terms of the policy.

If the **Insured** becomes aware that information given to the **Insurer** is inaccurate, the **Insured** must inform the broker as soon as practicable.

IMPORTANT INFORMATION - POLICYHOLDER NOTICES

CANCELLATION

The **Insured** can also cancel this policy at any time by writing to the broker.

The **Insurer** can cancel this policy by giving the **Insured** thirty (30) days' notice in writing.

The **Insurer** will only do this for a valid reason (examples of valid reasons are as follows):

- Non-payment of premium;
- A change in risk occurring which means that we can no longer provide insurance cover;
- Non-cooperation or failure to supply any information or documentation we request;
- Threatening or abusive behavior or the use of threatening or abusive language.

REFUND OF PREMIUM

The **Insured** has a statutory right to cancel this policy by writing to the broker within fourteen (14) days of either:

- the date the **Insured** receive this policy; or
- the start of the period of insurance

whichever is the later.

If this insurance is cancelled then, provided the **Insured** has not made a claim, the **Insured** will be entitled to a refund of any premium paid, subject to a deduction for any time for which the **Insured** has been covered. This will be calculated on a proportional basis. For example, if the **Insured** has been covered for six (6) months, the deduction for the time covered will be half the annual premium.

If the **Insured** cancels this insurance outside of the statutory right period, there will be a minimum charge of GBP 50 plus Insurance Premium Tax per GBP million of cover provided by the **Insurer** as stated in the **schedule**.

If the **Insurer** pays any claim, in whole or in part, then no refund of premium will be allowed.

If the **Insured** does not exercise the right to cancel the policy, it will continue in force and will be required to pay the premium.

CLAIMS PROCEDURE AND CONDITIONS

The **Insured** must notify GB Underwriting Ltd via their Insurance Broker as soon as reasonably possible of any event or occurrence which is likely to produce a claim which exceeds 50% of the **Underlying Limit** and provide all such particulars as the **Insurer** may request subsequent to such notice.

The **Insured** shall also give all information and assistance as the **Insurer** may require in connection with any resulting claim against the **Insured** for which an indemnity or **Defence Costs** may possibly be sought under this Policy and permit the **Insurer** to consult with the **Underlying Insurer(s)**.

The **Insurer** shall be under no obligation to make any payment under this Policy unless and until:

- a) all **Underlying Insurers** have agreed their liability to pay the limit of liability or indemnity provided by their respective **Underlying Policies**; or
- b) the **Insured** has, by final court adjudication, been held liable to pay an amount in excess of the **Underlying Limit**

and then only after all **Underlying Insurers** have paid, or been held legally liable to pay, the full amount due from the **Underlying Policies**.

The **Insurer** may at any time, at its sole discretion, pay to the **Insured** the **Limit of Indemnity** (less any sum or sums already paid in respect of a claim under this Policy) or any lesser sum for which the claim, or claims against the **Insured** can be settled and the **Insurer** shall not be under any further liability in respect of such claim or claims, except for other costs and expenses for which the **Insurer** may be responsible and which are incurred prior to such payment.
